

ASCEF Vehicle Donation Program

How to Donate a Vehicle to ASCEF:

1. **Call 1-800-745-6121:** Our Vehicle Donation Support Team is available seven days a week to help you complete the donation and confirm your pick-up information.
2. **Schedule Your Free Pick-up:** Vehicles can be picked up just about anywhere in the U.S. Once the donation form has been completed and submitted, we will arrange to have a licensed tow vendor pick up the vehicle. Unless your pick-up is scheduled on the initial call, you will receive a call from the vendor within two to three business days to confirm a convenient date/time for the pick-up. Please let the Vehicle Donor Support Representative know if your vehicle is located at an ASCEF Donation Center and provide them with the location details. The ASCEF Donation Center will be your vehicle pick-up location. Please remember to remove all personal belongings from the vehicle, and be prepared to present the keys, Title, as well as sign the Bill of Sale* with the tow driver.

***Bill of Sale** - The Bill of Sale should be made out to: Charitable Adult Rides & Services. All vehicles picked up in California will require a Bill of Sale along with the Title. The vendor picking up your vehicle should have the REG 262 at the time of the pick-up for you to sign.

3. **ASCEF Receives the Proceeds:** The entire sale process of each donated vehicle can take approximately up to four to 12 weeks. Then, ASCEF receives the proceeds.
4. **Receive a Donation Receipt:** Vehicle donations are tax-deductible. An initial donation receipt is provided at the time of the pick-up. If the vehicle sells for \$500 or less, donors are mailed a thank-you letter within 30 days of the sale of the vehicle, which serves as a tax receipt. If the vehicle sells for more than \$500 and the donor has provided their tax identification number, an IRS Form 1098-C will be mailed to the donor within 30 days of the sale stating the amount of gross proceeds (the maximum amount of the donor's tax deduction) received from the donation. For specific tax-related questions, donors are advised to consult with their tax advisor.
